RAMAKRISHNA MISSION ASHRAMA

Dear devotee / friend,

Ramakrishna Mission Ashrama, Tirupati came into existence in August 2015 by affiliating the existing Sri Ramakrishna Seva Samithi at Tirupati. This Samithi was founded by local devotees in 1981.

At the time of takeover, there existed a Universal Temple of Bhagavan Sri Ramakrishna, a building accommodating a book stall, Homeopathy clinic and a few rooms for monks to live. In 2017 Swami Vivekananda Sabhangana was constructed to conduct public meetings, cultural programmes, etc.

There was a pressing need for proper accommodation to serving monks and large number of visiting guest monks. Now by the grace of Bhagavan Sri Ramakrishna, Holy Mother Sarada Devi, Swami Vivekananda, and generous donations by devotees, a new monks quarters called Sarada Nilayam has been constructed.

This Sadhu Nivas will be inaugurated on 24th February 2024 by Revered Swami Gautamanandaji Maharaj, one of the Vice-Presidents of Ramakrishna Math & Ramakrishna Mission.

The inaugural function will be presided by Srimat Swami Satyeshanandaji Maharaj, Asst. General Secretary of the Ramakrishna Order. A large number of senior monks have agreed to grace the occasion with their presence and benedictory talks.

We cordially invite all the devotees and well-wishers to participate in the two-day programme with family and friends and receive the blessings of the Holy trio.

*Yours in the service of Bhagavan Sri Ramakrishna,
Swami Sukritananda*
